**Subject:** START dates for summer 2024

Greetings advisors!

I'm writing to share the START dates for this coming summer. You can view the dates on [our internal website](#), as well as download an [outlook calendar](#) or a [printable calendar](#), as you prefer.

The updates you'll notice that are different from last year are:

1. The first transfer session moved to earlier in the sequence
2. Increased capacities for students in all first-year sessions (325 to 400)
3. Two fewer first year in-person sessions
4. One additional week in August with no START dates (I heard your feedback loud and clear in our surveys post-START!)

We are grateful for the work of **Jen Olarra and Kassena Hillman** in approaching this with strategy and the commitment of **Student Accounts and Financial Aid** to stretching their involvement to make this possible. We will continue to prep for the summer and share updates as they are ready!
