

When you log into Beaver Basecamp, this is what you'll see:

This is a reminder to periodically check your OSU email account, which was created when you registered your ONID. Important and timely information from University Housing and Dining Services, as well as Financial Aid are often sent to you via this email address. Further instructions on how to access your OSU email account can be found [here](#).

Confirm your Enrollment

Current Confirmation Status: **Confirmed**

The enrollment confirmation process is a multi-step process. You must first confirm your intent to enroll, and then pay your Advance Tuition Deposit (ATD) or receive an approved waiver in order to secure your place at OSU.

Once you click that link, it will take you to the START sign up form that looks like this, listing all of the START dates that are applicable to you. The form lists all in-person dates first and if none of those work, then lists “other options” at the bottom, which will then show the virtual dates that are available.

Oregon State University Fall START Orientation

It's time to START! Now that you are officially part of the Beaver family, we want to get you prepped and ready for your next step, which is signing up for START, our new student orientation. During your orientation, you'll get a chance to learn more about being a student at Oregon State, meet other new students, sign up for your classes, and learn about important resources for your success.

Welcome to First Year START orientation! During your START day, you'll learn about campus resources, how to pay your bill, get an introduction to your academic journey, meet with your college, and meet lots of other new students. Immediately following your START day is your Advising day, where you'll meet with your academic advisor and choose your classes for fall term. If you're unable to be present in person, remote options via zoom are available for advising appointments. We can't wait to welcome you to our Beaver family!

Oregon State University START New Student Orientation Sign-Up

START is the new student orientation program for Oregon State University! This sign-up form is for students who will be enrolling in courses in the upcoming term. Please fill out the form completely below and submit it in order to sign up for START. You will receive a confirmation email upon registration with your details.

If you have any questions, please reach out to Office of Student Orientation at newstudents@oregonstate.edu or by phone at 541-737-7627.

** = required field*

The form then shares the costs and asks you to decide whether you'll be staying for in-person advising or not, as well as whether you're interested in meeting with financial aid.

Event Cost

All fees will be charged to student accounts after attending START.

Students

- Costs are covered by matriculation fee and subsidized by parent & family fees.

Parents and Families — (adults) - \$65/person

- This covers the cost of catering and meals, defrays building reservation costs, and pays for printed materials (including the parent and family calendar and handbook).
- Minimally subsidizes student costs of printing, meals, and building reservations.
- Automatically signs this person up for a year of newsletters and communications from our office.

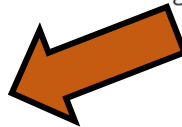

Families — (siblings under the age of 16) - \$15/person

- This covers the cost of catering and meals.

We've set up START to support and preference in-person meetings as much as possible. There is a second day that will contain your academic advising appointment, which is required for course registration. As such, when you choose to attend in-person START, we prefer that you stay to attend your advising appointment in person the day after. If this is not possible due to your circumstances, we will have zoom advising appointments available that second day. If attending a second day remotely is not possible, you will work with your college advising office at START to setup an alternative time for an advising appointment.

These checkbox questions help us prep for START and get the right info to the right person. Also, our accommodations box allows us to collect information on your and your guests' needs.

Additional Information

Do any of these apply to you (please check all that apply)? This will help us prepare the appropriate resources.

- ☐ Did you or a family member serve, or currently serve, in the U.S. military?
- ☐ Do you plan to use a VA education benefit or military tuition assistance?
- ☐ I am interested in an on-campus job
- ☐ I may need accommodations for a disability for my classes in the upcoming term

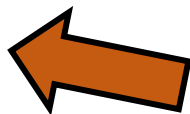

Disability Accommodations

Please list here if you or any of your guests need an accommodation related to disability to participate in START (ex: real-time captioning, sign language interpreters, etc.). We kindly ask that you make this request **at least 1 week prior to your event date** so we can set up accommodations.

If you make a request, please note that our Office of Student Orientation staff will follow up with you via email on the details of your request, so **please check your email and respond** when we reach out. Please list the details of the accommodation here:

Next, you'll let us know whether you want to stay in the residence halls, either with a guest or without. If the you choose to stay overnight, we'll ask you to share your gender(s) and the gender(s) you're comfortable staying with so we can match you up for housing.

Housing Options

Housing is available for both students and family members for the night after START and before Advising day. Students will be housed together with another student in a residence hall with a shared bathroom down the hall. Families will be housed in a suite-style residence hall nearby that includes a shared bathroom in the suite. Housing for students is \$60 and housing for families is \$70 per guest. This fee includes linens, dinner after START, evening social activities, and breakfast the morning of Advising day.

As part of your START housing arrangements you will be rooming with another student. Which gender identity or identities **do you most identify with?** Please check all that apply. (This question mirrors the [UHDS \(University Housing and Dining\) roommate matching](#) standards.)

- ☐ Agender
- ☐ Genderqueer
- ☐ Identity or identities not listed
- ☐ Man
- ☐ Non-binary, gender fluid, gender non-conforming
- ☐ Questioning or not sure
- ☐ Trans Man
- ☐ Trans Woman
- ☐ Transgender
- ☒ Woman

Additionally, we provide a space where you can tell us if your family needs separate housing arrangements for whatever reasons exist (divorce, drama, etc.)

Finally, we are piloting a partial-fee waiver for high-financial need families and this question will only show for students who are high-need. It asks you if you'd like to be considered for a partial-fee waiver for your and your family's START fees.

Our standard practice is to house families together. If that won't work for you, please let us know in the space below.

We have a small pool of funding to partially offset the cost of START fees for high-financial need families. This funding is limited and we unfortunately will not be able to meet the needs of all families looking for START fee financial assistance.
