WINTER TERM
START ORIENTATION
November 2nd - December 18th 2020

FIRST

GETTING STARTED
This is your first step in the START Winter Term Orientation. Some important things to focus on: take your ALEKS Math Placement Test, and confirm your major.

NEXT

ADVISING
Students will be contacted by advisors from their college. Each college does advising slightly different so we suggest students checking their ONID email often.

CAMPUS CONNECTIONS AND ESSENTIAL RESOURCES
In this section students will meet with some of our Senior START Leaders (Molly, Addison, and Catie). There are also lots of resources to view and learn more about on the Canvas site!

GET INVOLVED!

EXPERIENCE GROUPS AND SOCIALS
On the canvas page there will be links to join zoom calls and videos for our wide variety of experience groups. Some of them include First Generation Experience Group, Women in STEM, and many more! The socials offered will be fun activities to take a break and interact with other new students at Oregon State!
